INTRODUCTION

The names, dates, and other information in this book were taken from cemetery tombstone inscriptions. Only in a very few cases were written cemetery records consulted, and it will be noted if the cemetery readings were cross referenced with any other written record.

All cemeteries were read beginning from the southeast corner and numbered south to north.

As in any project of this type, where many names and dates are copied, there is a chance of error. However all inscriptions were read and recorded with great care and to the very best ability of the recorder. They were typed with the same concern for accuracy.

The help of everyone who has been involved with this project has been greatly appreciated by the cemetery committee and the Henry County Genealogical Society. A lot of time and effort on the part of members, their friends, and spouses has made this book possible.

Courthouse records and various county history books were used as reference for information about townships and cemeteries.

The county and township maps were reproduced from maps obtained from the Henry County Board of Commissioners. The cemetery maps were copied for us by the employees in the Recorder's Office at the Henry County Courthouse.

These cemetery maps were done by The Works Project Administration (W.P.A.) and co-sponsored by the American Legion, Department of Ohio - State of Ohio in 1940.

According to the World Book Encyclopedia "The Works Progress Administration was founded in 1935 to provide work for needy persons on public-work projects."

Freedom Township

Freedom Township was one of the first five townships organized in Henry County. When Fulton County was organized in 1850, part of Freedom Township was lost to that county. Therefore there are only 24 sections in the township. It is located at the northern edge of the county with Fulton County to the north, Napoleon Township to the south, Liberty Township to the east, and Ridgeville Township on the west side.

It is basically of German heritage. In 1850 the population was 460. The 1970 census showed a population of 810.

At one time the hamlet of Naomi was located on the Henry and Fulton County line just : north of Gerald. By the late 1920's it was an abandoned town. Today Gerald is the only village in the township.

The cemeteries in Freedom Township are Freedom Township and St. John's Lutheran Church.

St. John Lutheran Church Cemetery

Township: Freedom

Location: County Road 16

Description: On land acquired from John Badenhop by the German Evangelical Lutheran Church in 1883. The church was founded on August 15, 1869. It was destroyed by fire in 1961. Freedom Township was one of the first five townships organized in Henry County. When Fulton County was organized in 1850, part of Freedom Township was lost to that county. Therefore, there are only 24 sections in the township. It is basically of German heritage. In 1850 the population was 460. The 1970 census showed a population of 810. At one time the hamlet of Naomi was located on the Henry and Fulton county line just north of Gerald. By the late 1920s it was an abandoned town. Today Gerald is the only village in the township.

Recorded: Jul 1989

Final Reading: Jul 1989

Re-surveyed: Summer 2013

Ridgeville Township

Ridgeville Township was organized in 1841, although there was some settlement in the area soon after 1830.

At one time there were two post offices in the township, Ridgeville Corners, and Tubbsville, which was located in the northeastern part. Only Ridgeville Corners is there today. Early deeds used only the name Ridgeville.

Ridgeville Township is bordered by only one other township which is Freedom to the west. Otherwise it's borders are formed by three different counties - Fulton, Williams, and Defiance. As the other upper townships a part of this one was taken to form Fulton County.

The cemeteries in Ridgeville Township are Locust Grove, St. Johns Church, St. Peter Lutheran, and Zion Church.

St. John Lutheran Cemetery

Township: Ridgeville

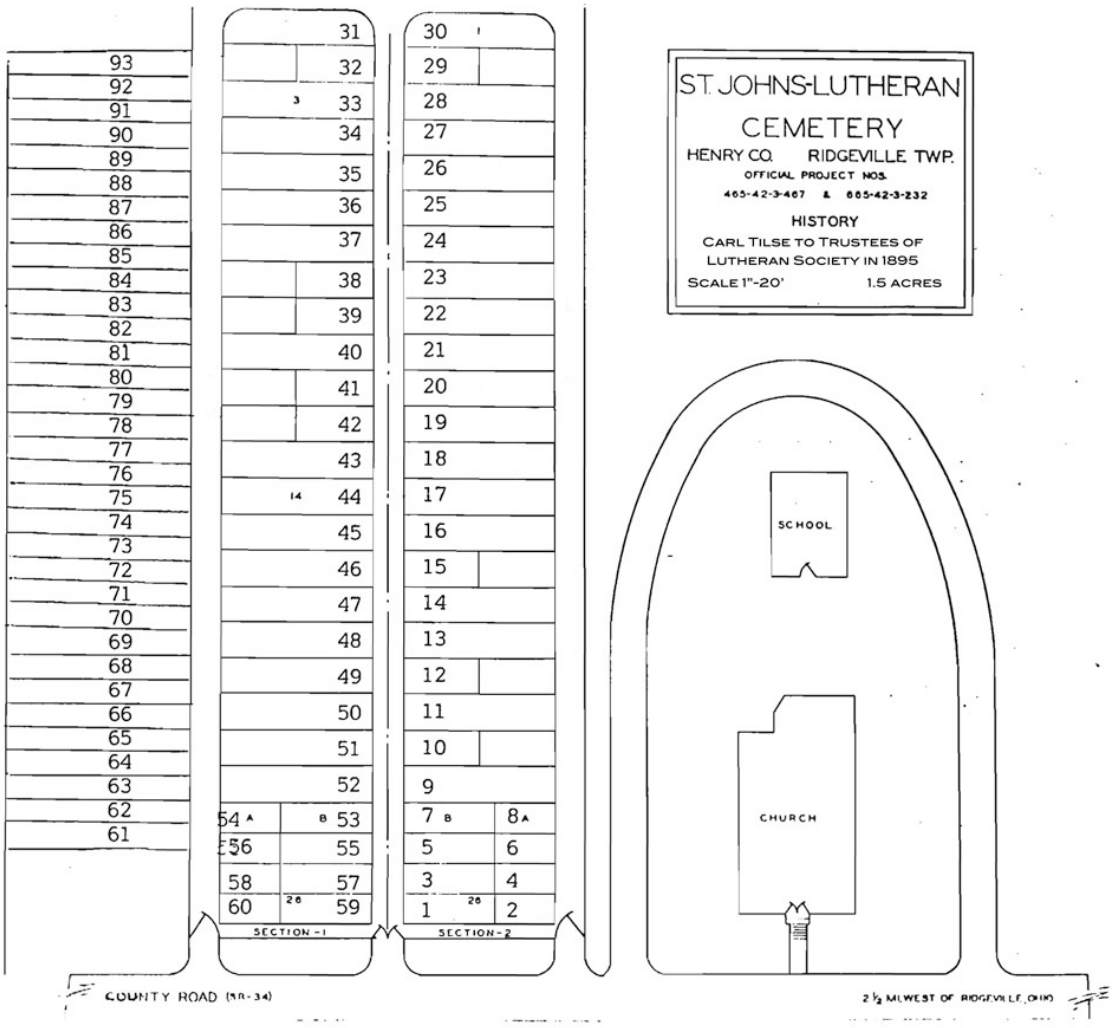
Location: St. Route 6

Description: On land acquired from Carl Lilse by the Trustees of the Lutheran Society in 1895. Ridgeville Towship was organized in 1841, although there was some settlement in the area soon after 1830. At one time there were two post offices in the township, Ridgeville Corners and Tubbsville, which was located in the northeastern part. Only Ridgeville Corners is there today. Early deeds used only the name Ridgeville. Since part of this township was taken to form Fulton County, it consists of only 24 sections.

Recorded: Jun 1992

Final Reading: Jul 1992

Re-surveyed: Summer 2013



Due to the way the grave sites in this cemetery are placed, it is recorded in lots and not by rows as other cemeteries have been done. Church records were used as a cross reference and that information was used to fill in names and dates in many instances.

St. Peter Lutheran Cemetery

Township: Ridgeville

Location: County Road X

Description: On land acquired from Henry Hune by St. Peter Lutheran Church in 1915. Ridgeville Towship was organized in 1841, although there was some settlement in the area soon after 1830. At one time there were two post offices in the township, Ridgeville Corners and Tubbsville, which was located in the northeastern part. Only Ridgeville Corners is there today. Early deeds used only the name Ridgeville. Since part of this township was taken to form Fulton County, it consists of only 24 sections.

Recorded: May 1990

Final Reading: May 1990

Re-surveyed: Summer 2013

Zion Lutheran Church Cemetery

Township: Ridgeville

Location: County Road X

Description: On land acquired from Fred Reinking by the German Lutheran Zion Church in 1904. Ridgeville Towship was organized in 1841, although there was some settlement in the area soon after 1830. At one time there were two post offices in the township, Ridgeville Corners and Tubbsville, which was located in the northeastern part. Only Ridgeville Corners is there today. Early deeds used only the name Ridgeville. Since part of this township was taken to form Fulton County, it consists of only 24 sections.

Recorded: May 1990

Final Reading: May 1990

Re-surveyed: Summer 2013
